Hybrid work is here to stay. However, keeping your team aligned and up to date can be a constant challenge that requires workers to constantly switch between applications and search for the latest information.

With MindGenius Online, you can **create**, **collaborate and plan all your information and projects** in one place.

So, why should you use MindGenius Online?

Microsoft Teams together with MindGenius provide the ideal platform to let interested parties identify, collaborate and prioritise where effort is best rewarded. Helps ensure we continually do the right things and do them right.

Create a unique workspace for you and your team to collate and develop ideas

Organize, evaluate, and prioritize according to your criteria, using a variety of powerful visual tools

Turn ideas into actions – highlighting what's most important, what's needed when, and everyone's workload

Create a unique workspace for you and your team to collate and develop ideas

Capture ideas and information

Quickly group and order information using drag and drop

Effortlessly add new information
